

Boy Scout Troop 363 Parent/Committee  
Meeting Minutes  
4-6-21

**January 2021 Meeting Minutes Approved :** Motion Dessie Davis, 2nd Nikki Russwurm

**Board of Review (BOR)** : Jon Wilcox explained BOR procedures. More volunteers are needed to participate in the Board of Review panel. Scheduling scouts for a board of review is no longer scheduled within the troop website. Jon has encouraged parents to email him directly so he can efficiently schedule BOR volunteers. The committee discussed moving the BOR times from before the meeting to during the meeting, as more parents are present to act on the panel. No final decision was reached and tabled for more discussion and input.

**2021 Recharter Fees** : Troop 363 was rechartered. If you have not paid, please see Nikki Russwurm.

**2021 Annual Dues/Camping Fees** : If you have not paid your annual Troop 363 dues, please see Nikki Russwurm.

**Popcorn Kernel Report:** Brenda Collier reported that she has already begun preparations for popcorn sales for 2021. She is not sure what the procedure will be for Show and Sell due to continued COVID-19 restrictions. Brenda will continue to prepare and keep the committee members updated with recent information.

**Summer Camp** : Michael Steelman will be leading the summer campers this year. All Scouts need updated Medical Forms, including recent physicals. Shannon Clinic/Dr. Beaty will be performing physicals for students and scouts within the month. More information to come. Susan Beaty asked the committee if it would be possible to schedule 2022 summer camp around the third week of June. Committee discussed the possibility, however, it would depend on the lead adult leader work/vacation schedule and camp schedule/availability.
