TRSC100 9-9:50 AM
Handicraft Area

Art, Sculpture

This is a dual merit badge, scouts will work on both at the same time.

The Art merit badge concentrates on two-dimensional art, specifically drawing and painting in various media, including an introduction to design applications in the fields of graphic arts and industrial design, history and design principles, and how these fields relate to fine art.

The Sculpture merit badge introduces Scouts to sculpture, an art form that allows an artist to express what he sees and feels by using these three dimensions by shaping materials such as clay, stone, metal, and wood.

Additional Fee: \$10.00

Maximum number of participants: 10

Astronomy

In learning about astronomy, Scouts study how activities in space affect our own planet and bear witness to the wonders of the night sky: the nebulae, or giant clouds of gas and dust where new stars are born; old stars dying and exploding; meteor showers and shooting stars; the moon, planets, and a dazzling array of stars.

Maximum number of participants: 20

Prerequisites: Requires 1 late night session.

TRSC8 2-2:50 PM

TRSC60 9-10:55 AM
ATV Area

ATV Experience

We are pleased to feature a fleet of Polaris 4-Wheelers for the program offerings at Trevor Rees-Jones Scout Camp. This adventure is for Scouts 14 years or older. We will have two sessions per day and each session will last 2 hours. We can accommodate up to five Scouts per session so space is very limited. There will be an additional \$75 charge to participate in the program which will be added to your invoice due at the time of selection. During the course, the Scouts will complete an ATV rider course and ride trails throughout the week. Scouts will get to see parts of camp that are unreachable by other means.

Additional Fee: \$75.00

Minimum Age: 14

Maximum number of participants: 5

https://scoutingevent.com/attachment/BSA571/document_16207814840_10565.pdf

Prerequisites: IMPORTANT NOTE: Long pants, a long sleeve shirt, and shoes that cover the ankle must be worn while participating in the ATV program. There must be a leader on the first day of class to sign the waiver or their Scouts may not participate. The ATV Waiver form must be completed before arrival at camp (see link).

Automotive Maintenance, Farm Mechanics

Class will focus on the Farm Mechanics Merit Badge and will include some automotive maintenance, time permitting.

Modern automobiles are important to many aspects of American life. Those who service automobiles must understand each principle, and how these principles interact to provide smooth, efficient performance. Owners of cars also benefit by understanding how their vehicles operate. This enables them to understand why certain periodic maintenance is required to keep their vehicles in tip-top shape.

From the mattock and hoe to the horse and mule, the cotton gin and reaper, the tractor and air seeder - this is the story of farm equipment. Today, most farms are mechanized and farmers can do most of their own maintenance work and make the adjustments needed on their many intricate farm implements.

Minimum Age: 14

Maximum number of participants: 20

Prerequisites: Dual Merit Badge

Midway

Backpacking, Hiking

Earning the Backpacking merit badge will be demanding but rewarding. Scouts will learn what equipment to carry on their backs and what knowledge to have in their heads. In addition, Scouts will discover how to protect the environment by traveling and camping without leaving a trace. By mastering the basics of backpacking, Scouts will develop an even deeper respect for the outdoors.

Hiking is a terrific way to keep your body and mind in top shape, both now and for a lifetime. Walking packs power into your legs and makes your heart and lungs healthy and strong. Exploring the outdoors challenges you with discoveries and new ideas.

Class Catalog

2023 Summer Camp - Trevor Rees-Jones Scout Camp: Week 1 at Clements Scout Ranch/Trevor Rees-Jones Scout

Your senses will improve as you use your eyes and ears to gather information along the way.

Maximum number of participants: 20

Prerequisites: Bring your pack and good hiking shoes or boots. Hikes every morning.

TRSC6 9-9:50 AM
Handicraft Area

Basketry, Leatherwork

Basketry is a handy skill for a Scout. A basket can be a sturdy companion on campouts, carrying clothes snugly and efficiently, holding potatoes and corn for roasting over a campfire, or carrying the day's fishing catch back to camp for dinner. Baskets and basket-weaving projects also make great gifts for family and friends.

Scouts who complete the requirements to earn the Leatherwork merit badge will explore leather's history and its endless uses. They will learn to make a useful leather item using the same types of raw materials that our ancestors used; be challenged to master skills like hand-stitching, lacing, and braiding; and learn how to preserve and protect leather items so they will last a lifetime and beyond.

Additional Fee: \$18.00

Maximum number of participants: 20

Prerequisites: Dual Merit Badge, includes cost of kits.

Camping

Camping is one of the best-known methods of the Scouting movement. When he founded the Scouting movement in the early 1900s, Robert Baden-Powell encouraged every Scout to learn the art of living out-of-doors. He believed young people who are able to take care of themselves while camping would have the confidence to meet life's other challenges too.

First Aid

First aid - caring for injured or ill persons until they can receive professional medical care - is an important skill for every Scout. With some knowledge of first aid, a Scout can provide immediate care and help to someone who is hurt or who becomes ill. First aid can help prevent infection and serious loss of blood. It could even save a limb or a life.

Maximum number of participants: 20

Prerequisites: Demonstrate to your counselor that you have current knowledge of all first-aid requirements for Tenderfoot, Second Class, and First Class ranks.

Prerequisites: Demonstrate to your counselor that you have current knowledge of all first-aid requirements for Tenderfoot, Second Class, and First Class ranks.

TRSC23 2-2:50 PM

First Aid

First aid - caring for injured or ill persons until they can receive professional medical care - is an important skill for every Scout. With some knowledge of first aid, a Scout can provide immediate care and help to someone who is hurt or who becomes ill. First aid can help prevent infection and serious loss of blood. It could even save a limb or a life.

Maximum number of participants: 20

Prerequisites: Demonstrate to your counselor that you have current knowledge of all first-aid requirements for Tenderfoot, Second Class, and First Class ranks.

TRSC23 3-3:50 PM

First Year Camper Area

First Year Camper

This is a 3-hour class that we offer from 9 a.m. to 12 p.m. We designed this program for the Scouts in their first year with a Scout BSA troop. They will spend their time focusing on basic Scouting skills and having FUN!!!

We know that many youth and parents expect summer camp to be an opportunity to earn merit badges. Consequently, these Scouts enrolled in the First Year Camper program have an opportunity to sign up for two (2) merit badges in the afternoon.

Maximum number of participants: 60

Prerequisites: If your Scouts would like to register for this program, simply select First Year Camper (Clements Rangers) from the menu and then the two merit badges they would like to take in the subsequent spots. As always, we will not sign-off any requirements for rank advancement as a part of this program. Many of the rank requirements will be covered and a list will be provided at the conclusion of camp and the reports section of your registration. Signing-off on requirements remains the responsibility of the Scoutmaster or their designee.

Fish and Wildlife Management, Soil and Water Conservation

Wildlife management is the science and art of managing wildlife - both animals and fish - with which we share our planet. Maintaining the proper balance and the dynamics that go with it requires humankind's attention. We use this stewardship tool to help minimize or eradicate the possibility of extinction of any given species. We want our descendants to have the opportunity to experience the same animal diversity that we now enjoy.

Conservation isn't just the responsibility of soil and plant scientists, hydrologists,

Nature Area MB Midway

Fly Fishing

Fly-fishing is a specialized form of fishing that combines skill and artistry. Because it is so rich with tradition, it is a passion for millions of people. The beauty of the water, the solitude, and the skills that the sport requires have made fly-fishing very important in the lives of many notable people.

Maximum number of participants: 20

Prerequisites: Bring a fishing pole.

TRSC30 9-9:50 AM
Nature Area MB Midway

Mammal Study, Nature

A mammal may weigh as little as 1/12 ounce, as do some shrews, or as much as 150 tons, like the blue whale. It may spring, waddle, swim, or even fly. But if it has milk for its young, has hair of some kind, is relatively intelligent, and has warm blood, then it is a mammal.

There is a very close connection between the soil, the plants, and all animal life, including people. Understanding this connection, and the impact we have upon it, is important to preserving the wilderness, as well as to our own well-being as members of the web of nature.

Maximum number of participants: 20

Prerequisites: Dual Merit Badge.

TRSC33 10-10:50 AM
Indian Village
John Whitgrove

Moviemaking, Photography

Moviemaking includes the fundamentals of producing motion pictures, including the use of effective light, accurate focus, careful composition (or arrangement), and appropriate camera movement to tell stories. In earning the badge, Scouts will also learn to develop a story and describe other pre- and post-production processes necessary for making a quality motion picture.

Beyond capturing family memories, photography offers a chance to be creative. Many photographers use photography to express their creativity, using lighting, composition, depth, color, and content to make their photographs into more than snapshots. Good photographs tell us about a person, a news event, a product, a place, a scientific breakthrough, an endangered animal, or a time in history.

Maximum number of participants: 20

Prerequisites: Bring a digital camera or a phone with camera. "GoPro" is acceptable.

Dual merit badges.
