A motion was made for Nathan Manship to take over as Board of Review coordinator - 2nd by Maria Trevino, all agreed, motion passed. Popcorn Kernal Report:

Storefront sales began mid-August and Door-to-Door sales have also begun; Scouts should prepare to sell as much popcorn as possible in order to raise money for their Scout accounts. Should you have any questions or need help with your Trails End app, please contact Maria Trevino. The app allows Scouts to sell popcorn year round AND schedule storefront sales. As always, Maria needs Adult volunteers to help during storefront sales in general but also to comply with BSA Two-Deep Leadership. Do not drop off your Scout until you confirm Maria has enough adult volunteers. (325) 262-9606.

Selling popcorn is the single most productive way for a Scout to earn money. It is important for Scouts to sell popcorn to help offset the costs of expenses.

Medical Forms:

Rachel Haralson will be assisting Mr.Helton with Troop 363 medical forms until we can find a volunteer. If you are interested in helping your Scout's troop, this is an excellent opportunity. Completed medical forms are required for BSA insurance purposes and serve to protect your Scout, Troop 363 and Texas Southwest Council. No experience necessary. Rachel Haralson (325) 245-5134

Recruiting:

In order to preserve the health of Troop 363, it is important to focus on recruitment, especially within the elementary and Junior High Schools. Unfortunately, San Angelo ISD will not allow personal or outside program flyers to be passed around within the surrounding schools. Thankfully, our adult volunteer, Dessie Davis, has worked closely with the Texas Southwest Council in order to brainstorm and assist with recruiting within the parameters of SAISD. The Texas Southwest Council has agreed to participate in an SAISD school-wide "newsletter" program called Peachjar for a nominal fee. Dessie asked the committee to participate in a Troop 363 Recruitment event on September 23rd at Baden Powell from 9a.m.-1p.m. This event is an opportunity to feature BSA activities for all interested children within the three junior high schools of San Angelo. Dessie Davis (325) 245-9550
